

APPLICATION INSTRUCTIONS

- Review all rules and laws pertaining to private shooting preserves before submitting an application.
- Preserve applications will be accepted in the Ft. Pierre office from JANUARY 1 to the MARCH 1 deadline.
- **NEW APPLICANTS** need to submit a plan of operation listing facilities available on the preserve, services offered for the hunters, bag limits planned, bird species and numbers to be released, age of birds at time of planned release, date(s) of planned bird release, and any other information you may wish to include.
- Applicants must be South Dakota residents, associations, co-partnerships or corporations that are registered with the South Dakota Secretary of State's office.
- All parts of the application must be filled out. This includes applicant information and submitting lease agreements and legal description of the preserve acres. <u>Only completely filled out applications will be accepted</u>.
- A person may apply for a shooting preserve permit for a single season or for three consecutive seasons upon submitting all required information and paying in full all application permit fees.
- Fees must accompany each application (The fee for a 1-year preserve permit is \$100, plus 40 cents for each preserve acre. The fee for a 3-year preserve permit is \$300, plus \$1.20 for each preserve acre). A preserve must be a contiguous single tract of land, touching at corners or sides, with a minimum 160 acres and a maximum 2,560 acres. An applicant is allowed to operate two shooting preserves of 1,280 acres or less or one shooting preserve that is more than 1,280 acres.

If you have any questions, please call: (605) 223-7665 or email at janelle.blaha@state.sd.us If this application is for a new private shooting preserve permit, you are also required to submit a plan of operation and outline the preserve boundaries on the enclosed plat map. Please include a FSA (SCS) type aerial photo showing perimeters of the proposed shooting preserve. For preserve renewals with acre or boundary changes, please outline the preserve on the enclosed plat map.

The following plat map represents an area of 16 sections. Each of the larger squares (thick border) represents one section of land (640 acres); the smallest squares represent 40 acres. Please outline the boundaries of your shooting preserve area and shade in that portion. Label the section(s), making sure that your sketch conforms to the legal description of the area you are applying for.
